A service touch will be rung at Braunton between 1.00-1.15pm at the invitation of the Guild Master.

Notes

Travel between towers in North Devon will be time consuming on any summer Saturday.

For Bratton Fleming, Shirwell and Combe Martin leave the A361 at South Molton and join the A399.

It is possible to travel through the lanes from Torrington to Littleham via Monkleigh.

Bands of Guild Ringers may like to make arrangements to ring quarters at

South Molton Tower captain Monty Bertram...

Chittlehamptom Tower captain Gerald Arscott... 01769 540229

Please note these additional towers will not be hosted by NNW branch members.
