Please join us for the day's activities:

For the morning session we are hoping that some quarter peals will be rung and are also having a Tower open morning to try to recruit more ringers in the South Hams area.

The afternoon will be spent at Salcombe with a session of ringing, during which there will be the opportunity to learn about judging striking and rope splicing. Refreshments will be available during this time. The meeting will take place in the church starting at 2.30pm.

Could each tower please supply food to share – something sweet or savoury, and a raffle prize.

A gentle reminder: tower affiliation fees and individual subscriptions are due as from 1st January 2017. These are now all at £6 per year.
