

# Learn to Ring to Crown a King

with the Guild of Devonshire Ringers

## Learn to Ring for the Coronation of King Charles III

On 6th May 2023 King Charles III will be crowned at Westminster Abbey and churches across the country will ring their bells in celebration of this historic occasion.

Towers in Devon are looking to recruit new ringers (of any age) for bell-ringing to help their local community celebrate the King's coronation.

It will take several weeks of practice before you are able to ring with the rest of the band and play a part in creating a very English soundscape. You will then be able to take part in ringing both for religious and for secular events, as you progress along a pathway of learning ever more intricate sequences of changes that produce the music of English change ringing.

You can try a bell ringing taster session:
